GOVERNMENT GIVES O. K. TO SWIMMING POOL

Chicago Office Awaits Arrival of Official Warrant to Make Announcement.

In a Presidential letter received by H. M. McCullen, regional director of Works Progress Administration, was made Monday that the final O. K. of Uncle Sam had been given to the Arlington Heights swimming pool project. Official announcement of that fact will not be made, nor will the local park board be officially informed of that O. K. until after the arrival of the official warrant from Washington which will probably be sometime this week, when the papers covering the project will be at once forwarded by messenger to the Arlington Heights Park board.

G. K. Volz, president of that body, has been unofficially informed of the good news, but is awaiting its official confirmation before making any announcement or plans for work upon the project.

The possibility of obtaining a swimming pool in Arlington Heights brought about the acquisition of park property, its purchase and its development as a playground. Even after the voters of Arlington Heights approved the park purchase with a bond issue of \$23,000 and later approved a second bond issue to construct the pool, fear was expressed by many that the swimming pool would not be constructed.

The village board handled the earlier part of the work, constructing the playground and it was only last month when the park board paid the purchase price that the recreational park officially passed into the hands of the park board. It was in September that the park board was faced with the alternative of dropping the swimming pool project, or increasing its sponsorship share of its cost. After a lengthy discussion, the board decided to do the latter and directed President Volz to sign an application for a swimming pool project which the cost to the district would be in the neighborhood of \$20,000, while the total cost of the pool and field house would be over \$100,000.

The field house will not be as elaborate as originally planned, but all of the requirements for its twelve month use were retained even if the embellishments were eliminated.

An American Christian To Speak at Lutheran School Friday Night

An unusual address will be heard at the Lutheran school tonight (Friday) at 8 p. m., sponsored by the Lutheran Laymen League. The speaker is an American Christian of Asia Minor, who has been engaged in evangelistic work among the scattered Christians in Turkish lands. This man has been an eye witness of the atrocities committed upon Armenian Christians in the attempt of fanatical Moslems to eradicate all traces of Christianity. He will speak on the subject, "The Life and Death Struggle of An Ancient Church." His address will be a pathetic portrayal of the past war history of the Armenian Christians in their struggle to survive the Mohammedan persecutions.

The Lutheran Laymen League is throwing open its doors to all who care to hear this thrilling address. No admission will be charged. Men, women, and children are welcome.

If You've Seen Him, Report to Sheriff

The sheriff's office has been asked to look for Alfred Johnson, 17, of Hinsdale, who ostensibly is Texas bound. Robert Johnson, father of the missing youth, reports that he left his home at 3, 4th York road, Hinsdale, Tuesday, that he is 5 feet, 10 inches tall and weighs 165 pounds. Among other articles of clothing, he was wearing a brown overcoat and a sweater.

Farmer Reports Theft Of 30 Bushels of Corn

A weekly complaint of thefts of corn was received by the sheriff's office Tuesday night. Walter Eishelberger reported that someone had stolen 30 bushels of corn from his farm on R. F. D. 1, Naperville.

ATTENTION MEMBER WOODMEN

Installation of officers of the new Arlington Heights Camp 522, W. O. W., will be held Friday, November 20th, 8 p. m. at Franksberg's hall, Dunton & Davis Sts., Arlington Heights.

You are invited to attend with your family. Music, refreshments, refreshments free. Door prizes and dance prize.

O. K. Bill Of Firemen, But It Was A Lot of Firemen

Among the bills passed for payment by the Arlington Heights village board Monday night was an item of \$41.50 for the fees of firemen which responded to a fire call at the garage of Joe Jirak, where a car was destroyed. The board members were perfectly willing to pay the firemen what is due them, but the suggestion was made that perhaps—only perhaps—the number of firemen attending the roll call after the return to the station might have been greater than the number who were present at the fire. The bill called for the services of nineteen members of the fire department.

GLENVIEW CHIEF KILLED BY CAR OF GIRL DRIVER

Latter Was Held on Manslaughter Charge in Accident At Algonquin and Barrington Roads.

Although a coroner's jury did not complete an inquest Monday morning in the death of Joseph Verrow Miller, 44 years old, chief of police at Glenview, who died in a Sherman hospital, Elgin, Sunday, from automobile crash injuries, state police placed a temporary charge of manslaughter against Miss Jean Volence, 23 years old, 3204 S. Fifty-Second St., Cicero, driver of one of the machines involved in the accident.

The crash occurred shortly after 7 Sunday morning at the intersection of the Algonquin and Barrington roads. Miss Volence signed a statement in which she admitted that she failed to notice a stop sign at the intersection of the two highways, according to Augie Olson, state highway patrolman, who investigated the accident.

Returning From Wedding With Chief Miller were Walter J. Hoffman, city manager of Glenview, and Raymond Levernier, 1153 Pine street. Miss Volence was accompanied by Miss Marjorie Tremi, 19 years old, 3511 Gunderson avenue, Chicago, Mr. and Mrs. Tony Radecki, of Lyons, and Tony Horomak, of Chicago.

The police official and his companions were starting out on a hunting trip and occupants of the other machine were returning home after attending a wedding at Barrington. Chief Miller was driving west on route 62, Algonquin road, and Miss Volence was traveling south on Barrington road.

Miss Volence's automobile struck Miller's automobile so hard that it knocked the motor entirely out of the machine. His car swerved into a ditch at the southwest corner of the intersection. The girl's machine went south nearly 200 feet before coming to a stop in a ditch.

Died at Hospital Here

Miller received a skull fracture and other injuries which caused his death at 5 Sunday afternoon in Sherman hospital. Hoffman and Levernier were cut and bruised. Radecki received a broken leg and other injuries and after receiving treatment in Elgin, he was removed to St. Mary's hospital in Chicago. Miss Volence was cut and bruised and other occupants of her car escaped with similar injuries.

Miss Volence still was confined in Sherman hospital Monday morning and when she is able to leave the institution, she will be taken to Barrington where she will post a bond for her appearance at the inquest.

Former County Deputy Chief Miller was born at Ottawa Aug. 4, 1893. He was a Cook county deputy sheriff before his appointment as chief of the Glenview police department 10 years ago.

Besides the widow, Katherine, he is survived by his father, Andrew J. Miller of Glenview, two brothers, Lewis N. Miller, a Chicago policeman, and Irving, and two sisters, Hazel Miller of Chicago and Katherine of Lexington, Ky.

The body of Chief Miller was taken to the Schilke funeral home, 5938 W. North avenue and Wednesday morning, was transferred to the city hall at Glenview. Funeral services were held at the Glenview city hall with burial in Irving Park boulevard cemetery.

Dr. Karl Meyer, who is authority on all pertaining to our health and safety, was quoted last week as saying "All auto accidents and others causing death through accidents on the road or elsewhere were attributable to strong drink with even the slightest alcoholic content. One part alcohol plus one human being, plus one automobile, can produce a mixture which keeps a part of our staff working frantically for several days."

DANCE PARTY, MUSIC, CARDS

There will be held a dance, music and card party Saturday night, Nov. 21, at the school house of Dist. No. 17 at Elia road and Bridewell. Admission 25 cents. Refreshments free. Door prizes and dance prize.

C. W. SCHUETZ ACCIDENT VICTIM DIES

Succumbs After 6 Weeks In Hospital; Inquest To Be November 28.

Charles W. Schuetz, 401 N. State road, Arlington Heights, passed away Thursday, Nov. 12, at the Community hospital, Palatine, where he has been receiving treatment since Sept. 25, when he was hit by the car of William Leven, 1215 N. State road.

The deceased was on his way home from work and claimed that he had just stepped onto the pavement at the corner of State and St. James street, when the Leven car suddenly swerved across the pavement and knocked him down. He sustained four fractures in his legs, and concussion of the brain. Death was directly caused by hypostatic pneumonia.

Two charges were placed against Mr. Leven, who after being held two days was released on bond, awaiting the outcome of the accident. A coroner's inquest was called Friday and the following jury was impaneled: Geo. Klueg, Emil Rade, Herman Meyer, Henry Miller, Wm. Blum and Henry Moorh. The inquest has been postponed to Saturday, Nov. 28. The family of Mr. Schuetz is represented by Attorney Weiss of Mt. Prospect and Mr. Leven by Zaleski of Des Plaines.

Obituary

Charles Wm. Schuetz was born in Chicago, January 16, 1872. A few years later the family moved to Lombard, where he was reared and educated.

He was married on November 26, 1896 to Bertha (nee Hacker) at Lombard, Illinois. A few years later they moved to Arlington Heights, Illinois, where they raised two children and he resided till death.

One daughter, Selma, preceded him in death 9 years ago. He leaves to mourn his beloved wife, Bertha, his daughter, Grace, three grandchildren, Annabelle, Beatrice and Charlotte; one sister, Dorothy; five brothers, Henry, John, William, Frederick and Alfred, and his son-in-law, Henry.

The funeral was held from the home on North State road, Sunday, Nov. 15, Rev. H. A. Kossack officiating. Interment was in Euclid Lawn cemetery, Arlington Heights.

Herman Lichthardt Dies Following Accident In Fall From Scaffold

Herman F. Lichthardt, of Roselle, died at the Sherman hospital Elgin, Sunday evening, following an accident which occurred Tuesday, Nov. 10, while at work as a carpenter on a new barn at Rodenburg. With two companions he was shingling a roof when the scaffold suddenly gave way. His companions were William Trost and Leonard Heckmann, of Elgin.

Funeral services were held Wednesday afternoon, Nov. 18, at Roselle Lutheran church, Rev. Mehlberg officiating.

Mr. and Mrs. Harold Turner and son, Buddy, of Long Beach, California, were house guests early this week at the home of Mr. and Mrs. Carl Ewert, 825 S. Mitchell.

PALATINE FIRE DEPT. TO BUY THIRD PUMPER

Uses Own Funds; Demonstration of Resuscitator and Oxygen Unit Friday Night.

The Palatine fire department, continuing its policy of using fire department funds almost solely for improvement of the department equipment, will equip the third truck of the department with a pumper and tank. The purchase of the two will be made this Friday evening. The R & B truck which was originally equipped by the firemen, themselves, will be used.

With the installation of this new equipment, Palatine will again take the lead in fire fighting equipment of even its larger neighbors. It will have two village owned trucks and one rural owned truck, subject to call at any time.

The department is considering going a step further by contracting for a resuscitator and an oxygen unit, which will both be demonstrated by the manufacturers to the department on Friday evening. If the latter equipment is purchased, it will be available for emergency accident cases as well as for severe cases of pneumonia.

New Mail Schedule With Return to Old Time

Postmaster Virginia Dodge has posted in the postoffice lobby the following mail schedule:

Outgoing
Going west pouches close at 8:20 a. m., and 4:00 p. m.
To Chicago pouches close at 7:20 a. m., 8:20 a. m., 11:30 a. m., 4:00 p. m., 5:45 p. m.

Incoming
From west—4:45 p. m.
From Chicago—8:00 a. m., 9:45 a. m., 10:15 a. m., 12:15 p. m., 4:45 p. m.

Although mail is received and dispatched from and to Chicago at frequent intervals, it is noted that little recognition is given to west bound business, there being only a morning and afternoon dispatch in that direction and only one receipt at 4:45 p. m.

To Organize a Lutheran Mass Chorus for Christmas

The Christmas spirit is already in evidence among the membership of St. Peter Lutheran church. A movement is under way to organize a mass chorus, which will render special music on Christmas morning in the regular festival services. Any member of the congregation is eligible, regardless of age or sex. Three rehearsals will be conducted, namely on Dec. 10, 17, and 22. It is hoped that all lovers of music within the parish will arrange to attend these rehearsals and help make this year's Christmas services the "never-to-be-forgotten."

ELEVEN P. M. CRASH AT ARL'S BUSIEST CORNER

Chas. Lemke, 4537 N. Racine avenue, Chicago, traveling north on Dunton at eleven o'clock Monday night, hit the car of Bob Koske of Bensenville, who was traveling east. Cars damaged but no personal injuries.

Paper To Be Printed Early Next Week

On account of Thanksgiving and to allow Arlington Heights housewives to do their Thanksgiving shopping by means of this paper, the Herald will be published on Monday next week. The forms for news will close Monday noon.

DeLuxe Street Lights Will Cost Real Money; But Is It Worth It?

Mayor Flentie and members of the street lighting committee of the Arlington Heights village board was able Monday night to present some cost figures upon the lighting situation that were very conclusive. The Public Service Co. had prepared a number of alternative plans with comparative costs.

At present the village is paying \$7265.76 a year which includes dusk to daylight in the village proper and dusk to one o'clock in Scarsdale and Stonegate. The village board recently authorized all night service of existing lights in those two subdivisions, which will cost the village \$160 a year more than at present.

Meeting the request for additional lighting in the above two subdivisions, the board is faced with an additional charge of \$662.16, or \$560 a month if the candle power of the present 89 street lights was increased from 100 to 200. It has been suggested that 32 additional lights be turned on in those subdivisions which if done would increase the cost by \$924. As a matter of comparison, if all of the street lights in those subdivisions were ordered to be lighted, the additional cost to the village would be \$2,000.

However, if such service is to be contemplated for the new subdivisions, some special consideration might be asked by the town proper, so the final plan calls for an increase in lighting of all bracket lights to 200 candle power and turning on of all lights. The cost of this plan would be an additional charge of \$4390 a year.

Here are a few percentages that may be interesting. At present the street lights in operation in Stonegate and Scarsdale are 24 per cent of the total lights in the village. If all the lights of those subdivisions were placed in service, they would represent fifty per cent of the total lights of the municipality.

These facts and figures must be considered by the board before a definite decision is made. At present the village square with the Public Service Co., in lighting and power accounts. There was a time a few years ago when the indebtedness was \$26,000. Any material increase in cost would necessarily mean additional taxes.

Last Opportunity To Retain Old State License Number

Krause & Kehe have been rather busy the past two weeks forwarding applications for state licenses to Springfield for those who desire to retain their former state license number. "Such a privilege," states Mr. Kehe, "is good until Dec. 1, when the regular sale of license numbers will start."

A great many auto owners of this vicinity apply for their state license through Krause & Kehe who during the busy season give 48-hour service in delivery of license plates.

REGULAR MEETING OF VILLAGE DADS

The former Faelzt house, 29 So. Vail street, has been unoccupied three years and in the estimation of the neighbors and the members of the village board, it has become a fire and dangerous hazard. Edward H. Niemeyer appeared before the Arlington Heights village board Monday petitioning its removal. After consultation with Attorney Thal, the board authorized the appointment of a board of inspectors as is provided in the building code, to inspect and report upon the condition of the building. The members of said board are Paul Taege, building commissioner, John C. Boeger and Frank Schulenberg. After their report, definite action will be taken by the village.

Alderman Burns will endeavor to secure the cooperation of the Chicago health department for weekly analysis of village water.

The police department reported the collection of \$82 in fines with four cases pending; also collection of ten business licenses.

A representative of Stonegate appeared before the board asking that drastic action be taken by the village to cut shrubs that are upon public property.

In the bimonthly report of Geo. Harris, engineer at the treatment plant, comparative figures were given between the number of gallons handled in 1936 and the number handled upon the same day in 1934. There was nearly a half million increase. The figures were 532,000 two years ago and 997,000 this year.

Upon Mr. Harris report as to damage being done to machinery at the treatment plant by the presence of ashes in the sewage, the police was directed to stop the practice of some people to dump ashes upon their driveways, where they wash into the sewer system.

Bills and payroll passed for payment totaled \$17,925.56. Permission was granted the residents south of Scarsdale to connect with the sewer.

Miss Bergholz Must Face Trial; Is Now In Jail

Date for the trial of Dorothy Bergholz, the 19-year-old sweetheart of Walter Meyers, who was sentenced to serve 199 years in the state penitentiary at Joliet last Tuesday, for the wanton killing of John E. Frost, Lombard policeman on the morning of Sept. 3, has not been set. The information is given out by the state's attorney's office. Miss Bergholz, indicted with Meyers for murder, turned states evidence and testified against Meyers.

Russell W. Keeney, states attorney has not stated whether he will demand a severe penalty for the girl, but there is belief in some quarters that Miss Bergholz, by reason of turning states evidence, will not be dealt so harshly with as was Meyers, who expressed himself as glad that he had escaped the chair.

Miss Bergholz and Walter Poore, the 16-year-old boy, who planned a robbery with Meyers of Poore's uncle's store in Lombard, is under indictment with the girl for the theft of a car. Poore also testified against Meyers. Both Miss Bergholz and Poore are in the county jail at Wheaton, both being unable to furnish bail. Action against the two awaits the decision of the states attorney.

Christmas Seal Sale Starts Next Week

Supplies for the thirtieth annual sale of Christmas seals have arrived at the local Health Center. Preparing of these supplies for the mail is in progress under the auspices of the Arlington Heights Public Health Committee.

The sale of Christmas Seals begins on Thanksgiving Day and is entirely apart from the Red Cross Roll Call which is being carried on from Armistice Day until Thanksgiving Day.

Attempts Own Life Because Husband Loves Another Woman

Florence Griffith, employed at the Mecca club on Milwaukee avenue attempted to take her own life Wednesday morning by drinking lysol. She was rushed to the hospital by the police, who later booked her upon a disorderly conduct charge.

The woman, whose home is in Iowa and whose husband is somewhere in Chicago, claims that her husband had threatened a divorce; she suspected another woman.

JOHN ENGELS DIES AFTER OPERATION

Mr. John Engels, Ballard road, passed away at the Evanston hospital Wednesday evening, Nov. 18. Funeral arrangements have not been completed as this notice was received just before the paper went to press, but will probably be held Sunday.

Two Thanksgiving Services at St. Peter Lutheran Church

The presidential call to a worship of Thanksgiving will be headed by St. Peter Lutheran church in two Thanksgiving services. On Thanksgiving Eve, Wednesday, 8 p. m., the English worship of gratitude will be held. Pastor Fricke will preach on "Counting Our Blessings." The Junior choir will present special vocal numbers. Pastor Noack will conduct a Thanksgiving service in German on Thursday, 10 a. m., assisted by the Senior choir. A practical expression of gratitude to God will be the offering devoted to the missions of the synod.

ART LESEBERG DESPONDENT TAKES LIFE

His Act Blamed On Ill Health; 14 Years Employed by Tibbitts-Cameron.

Arthur Lesenberg, 201 South Mitchell, Arlington Heights, took his own life some time Wednesday. Discovery of his body was not made until eight o'clock Thursday morning when officers E. Holcomb and Walter McCann, of the deputy sheriff's office, found his body in the rear of his Buick car, parked on the side of the road at the corner of Schoenbeck and MacDonald roads. Mrs. Baker, a neighbor, had reported to the police that the car had been there since noon of the previous day.

Mr. Lesenberg has been employed by Tibbitts-Cameron Lumber Co. fourteen years. About ten o'clock Wednesday morning, he asked to be relieved for the day, claiming that he had to go to Chicago. When found he was attired in his working clothes. The act was accomplished by means of a shot gun which the charge entered the side of his head.

The remains were taken in charge by Lauterburg & Oehler. He leaves a wife and two children.

Councils To Participate In Joint Institute of Scouting at Deer Grove

Last week-end, Earle R. Henderson, chairman of the Leadership Training committee of the Northwest Suburban Council, Boy Scouts of America, and Donald E. Kyger, Scout Executive, attended a meeting of representatives of six other councils in this part of Illinois and decided to conduct a joint Institute of Scouting as the training program for this fall.

This training course will be held on Saturday afternoon and Sunday, December 5 and 6 at Camp Evanbosco, the week-end camp of the Evanston Council which is located at the edge of Deer Grove Forest Preserve just east of Barrington.

Two courses will be presented at this session, one for Scouters—a course in "Troop Program Building" and one for Cubbers—a course in the "Elements of Cub Leadership."

The course for Scouters will be particularly interesting to all who are connected in any way with Scouting and it will touch on the many phases of the Scouting program in relationship to the boy.

The course in Cub leadership will have the advantage of many new ideas and literature secured from the recent Regional Cubbing course held in Chicago.

In both of these courses, it will be of great advantage to all attending from the fact that there will be many Scouters and Cubbers from a number of different Councils which will enable everyone to meet together and exchange ideas.

The following Councils will cooperate in this course: North Shore (Highland Park), Evanston, Northwest Suburban, Oak Park, West Suburban (LaGrange), Du Page (Wheaton), and Elgin.

High School Student Hurt in Auto Crash

Three Glenbard high school pupils on their way to classes, escaped serious injury or death when the Ford coupe in which they were riding tipped over following a collision at Main and Hawthorne street, Glen Ellyn, shortly after 8 o'clock Monday morning. One of the three pupils, Dorothy Ioder, 16, of Bloomington, suffered a broken collar bone.

The coupe belonged to Miss Loder. In the car were Leonard Rosawinkle, 15, Bloomington, and Kenneth Kline, 17, Roselle, the latter driving. At the intersection of Main and Hawthorne, with the coupe going east, it came into collision with an Oldsmobile sedan being driven north by Edwin Carlson of Glen Ellyn. Both cars were badly damaged. Miss Ioder was attended by Dr. A. S. Watson of Glen Ellyn. None of the others in the accident was badly injured.

RECREATION GIVEN A NEW LEASE OF LIFE

Arlington Project Looking For New Home Under New Control.

When the officers and interested members of the Arlington Heights Recreational association met Monday evening, they expected to write "finis" upon that organization, but after meeting Mrs. Leary, the new district recreational director and hearing her offer to loan her assistant, Miss Wood, who was also present, to Arlington Heights, the association decided to take a new lease on life and make another effort to secure sufficient booking to enable the project to be continued through the winter.

The stumbling block since the close of summer has been an indoor place for the work. With the arrival of colder weather, it has become necessary to give up the skating rink quarters and thus the committee is seeking a more modern building that can be secured with the means at the disposal of the association. This change in purpose was brought about by the outline of the work that Mrs. Leary gave and the personality and experience of Miss Wood, who would be in direct charge here.

As the first step to a continuation of the association, new officers were elected and Tom Wilson was chosen president. An effort will be made to secure cooperation of various organizations similar as was secured two years ago.

Men's Club Minstrels Ties 'Em In Knots

On Wednesday night the Men's Club gave its first presentation of the minstrel show upon which the men have been working for some time. Before an appreciative audience at the Methodist church gym, the entire cast performed in typically Minstrel show fashion. From the chorus in overalls and "Black-face," to the Interlocutor, in a "Boiled" shirt and tail coat, the men entered heartily into the spirit of the occasion and gave a really good show.

End men, Bill Oas and Jimmy Bown, literally "Tied 'em in knots." Bob Blackburn and Fred Uterback, the other end men, untied the knots and then proceeded to tie some of their own. Bill Oas proved himself a versatile performer when he sang "Alexander's Rag Time Band" after being a joker and mind reader earlier in the evening.

Jack Everett, as interlocutor, was the very embodiment of the word. He started the end men talking and stopped them from fighting in addition to introducing the specialty numbers and the soloists. He also sang a solo which many considered the high spot of the evening.

The soloists, Mr. Chester Loughlin, Herbert Hackbarth and Les Moodie, sang appropriate ballads and novelty numbers which were very well received by the audience. The high school quartet harmonized beautifully in several numbers and were forced to retire while the audience still demanded more.

No minstrel show could be complete without plenty of good tap dancing. This part of the program was ably handled by Fred Uterback, and Caryl Mundy and Marjorie Moodie. Fred Stomped out some snappy steps in his numbers, and Marjorie and Caryl made a fine team for their intricate tap specialties.

Genial Bill Franke, as the Professor, delivered a clever but somewhat confusing monologue on "Atomology."

The pianist and musical director, Mr. Walter Ford, might be called the "Key man" of the company. Certainly, his fine playing and the arrangement of the musical numbers contributed much to the evening's entertainment.

The specialty numbers were adequately supported by the chorus composed of the following members: Harry Seibert, Harvey Dagggett, John Allen, Chester Loughlin, Herbert Hackbarth, Neil Barr, Marion Hogate, Melvin Anderson, Marvin Prelberg, Leslie Moodie, William Franke, William Rossiter, Donald Costain, Edward Pohlman, Stanley Meyers, Einar Houlder, and Frank Rogers.

The show is interesting, funny, and does display considerable talent. If you missed it last Wednesday, see it Friday, November 20, at the Methodist church gym, curtain time 8:15 p. m.

Hunter Clubs Rabbit With Gun and Kills Self

Hunting toils in DuPage county are mounting, there having been one death over the week-end. Ed. Biggot, 27 years old, 3528 Pierce avenue, Chicago, shot and killed himself accidentally Sunday morning when he discharged the second barrel of a shotgun clubbing a rabbit which he had wounded. The accident happened in a cornfield, 150 feet from the Eola road, in southwestern DuPage county. Two companions, Fred Wrublicki, 715 North Sawyer avenue, Chicago, and Attilio Pernicino, 8050 South Cooper avenue, Chicago, reported the accident to the sheriff's office and to the Naperville police.

Bogart in First Movie In Which He Kills No One

Up until the time he was cast in a leading role opposite Pat O'Brien in First National's new sky thriller, "China Clipper," which comes to the Arlington Theatre on Nov. 22 and 23, Humphrey Bogart had begun to feel that motion picture action consisted of nothing but bank holdups, gun play and the like. Bogart, a recent recruit from the New York stage, had every justification for so thinking. His first motion picture role was that of Duke Mantee, the ruthless killer of "The Petrified Forest." When the picture was finished, the actor was cast as another gangster in Edward G. Robinson's picture "Bullets or Ballots." In "Petrified Forest" he killed one man. In "Bullets or Ballots" he shot three more. Much to his delight, the actor found he could turn his arsenal of revolvers, shot guns and tommy-guns over to the property department when he began work in "China Clipper." His part is that of an airplane pilot, and there isn't a gun fired anywhere in the picture. Instead of using firearms, Bogart uses his fists in the new picture. One of the high spots in the action is a knock out fight encounter with Pat O'Brien, who has the leading role. "China Clipper" is a thrilling romance of the air, with a talented cast which, besides O'Brien and Bogart, includes Beverly Roberts, Ross Alexander, Marie Wilson, Henry B. Walthall, Joseph Crehan, Joseph King and Addison Richards. Raymond Enright directed the picture from the screen play by Frank Wead.

On Thursday, November 19, the National Preaching Mission begins in Chicago and will continue four days. This mission is international in character. Among the speakers on the various programs are some of the outstanding religious leaders of Christendom, such as Dr. E. Stanley Jones, Dr. George W. Truett, Miss Muriel Lester, Dr. Ivan Lee Holt, and a dozen other outstanding Christian leaders. The purpose of this mission is to vitalize the spiritual faith of America during these crucial times. "Seek ye the Lord while He may be found; Call upon Him while He is near."

All welcome to our services.

What's the news? Much of big shots and presidents, Do not lead on to home events; Too many children on the streets, In protest traffic court now meets; Praise God for these bright autumn days, While friends crowd round the bright fires blaze; Read your home paper through and through, And note much news it brings to you.

Thanksgiving day Thursday, November 26, and be ye thankful. "Enter into His gates with Thanksgiving and into His courts with praise; and forget not all His benefits." Lest we forget.

The Presbyterian Sunday school will hold a sunrise prayer meeting Thursday.

The Men's club of the Methodist church gave a minstrel show in their church gymnasium Wednesday and Friday nights, the 18th and 20th of November.

Mr. and Mrs. George Bozee left here last week to establish their residence in New York. This is on account of Mrs. Bozee's employer having taken his business there. Her home has been with her mother, Mrs. Hile.

Mrs. Elmer Whiting of Des Moines, Iowa, has been visiting her relatives, the Cranes, Whittings and Thuburns in the Heights. From here Mrs. Whiting plans to go to Wilmette to spend the winter with one of her nieces.

Mr. and Mrs. Jacob Kreier are moving from the W. W. Guild apartment house into their new home, 402 West Mueller street.

Mrs. R. J. Guild was a Sunday guest of her son, Mr. Bruce R. Guild and family in their Park Ridge home. A happy day for all and how Mrs. Guild does enjoy that wonderful baby Merle, as well as all the other children.

Miss K. J. Kealey and Miss Millie Johnson, attended a Sunday school mission in Chicago, Sunday.

The good news comes that M. Saai, after undergoing critical surgical treatment is now hopefully on the way to recovery.

Mr. and Mrs. Raoul Peeters and their sons, Raoul and Donald, drove to Chicago, Sunday to join other relatives in celebrating the birthday anniversary of Mrs. Peeter's father, Mr. John Fraehle. We are sure they made it a happy day for the honored father, giving renewed courage for the onward path, sure to be a joyful journey.

The Social Five Hundred met Thursday this week with Mrs. Elmer Hiles in her home on South Evergreen avenue.

Mr. Nathan Richardson was a guest of his cousin, Mrs. Mulvane, in her home in Chicago, Sunday. A cheery change for him.

Mr. and Mrs. Ed. Schimuning and family, Mr. and Mrs. George Schimuning and Mrs. Fritz Lauterberg and Miss Mary Angeleff attended the Zirk-Kuhl wedding Saturday evening.

The Howard A. Helm family had a letter recently from Mr. L. G. Helm, telling of his travels through the west and south, accompanied by two relatives. Among the places visited Idaho, on the way he saw the Chapmans, Mrs. Beech and her sister. All on whom he called seemed well and doing well. A fine trip for our old friend and we are glad to hear all were well.

Mrs. Frank Mors and son, came from Detroit, Michigan, Saturday to attend the funeral and be with the family of her late husband, Mr. Frank Mors in the time of their bereavement of their mother, Mrs. Mors.

The Chidley sisters have purchased Mrs. Albert Bauer's hemstitching equipment. Now watch for the pretty things they will beautify with stitches.

Mrs. H. C. St. John of West Wing street, entertained as a week-end guest her friend, Mrs. Taylor from Chicago.

The Ladies' Pinocle club met Wednesday afternoon with Mrs. Joseph Wichtner on West Campbell street for their regular fortnightly social get-together and card games, diversion.

Mrs. Anna Schaffer, 724 North Highland entertained a number of her friends for a pleasant social time in her home Wednesday last week.

Mr. John Moehling has made a slight change in the place for some years his father's home, known to older residents as the old home of St. Peter's. Mrs. Moehling has remodeled and put in modern improvements. The place looks like a pretty cottage fit for a home. The two noble trees that seem to guard Pastor Roeder's home, we trust may never be destroyed.

The Ladies' Aid of St. Peter's church celebrated the thirty-fifth anniversary of the organization Sunday, November 15. It proved to be a most happy event. Messages were given by both pastors, Pastor Noack and Pastor Fricke, with congratulations and appreciation for the real aid the society had given the church. The younger society, the Dorcas Aid acted as guard of honor. This 35th anniversary of the Ladies' Aid was certainly most highly observed.

The teachers of high school went to Park Ridge last week Wednesday night, to hold a party in which Mr. and Mrs. M. A. Hogate were guests of honor. Mr. Hogate is assistant coach in the high school and the newlyweds were surely given rousing welcome into our City of Good Neighbors. A supper of choicest menu was served and cards were sandwiched in between chatter and merriment. Mr. and Mrs. Hogate were certainly initiated right royally.

Mr. C. E. McWharther and his daughter, Carol, came home last week Saturday from a visit to his mother in Kentucky.

Mr. and Mrs. Chas. Klehm and granddaughter, Miss Joyce Schauble motored to Champaign, Saturday to witness Ohio-Illinois game and visit their son and daughter, Carl and Margaret.

Wedding of Miss Eleanor Schaeffer and Mr. Herbert Kollé

Miss Alma Eleanor, daughter of Mr. and Mrs. John Schaeffer and Mr. Herbert Kollé, son of Mr. William Kollé, were joined in marriage on Saturday, November 14, at 9:30 p. m., by Rev. Father George Stier in St. James R. C. church. The choir of which the bride and bridegroom were members, chanted the mass.

Miss Ann Sadecky was maid of honor and Harvey Schaeffer, brother of the bride, was the bridegroom's attendant. The ring bearer was Jimmie Amman, nephew of the bride. Following the impressive marriage rites and ceremonies, the bride and groom went to the home of the bride's parents on South Dunton avenue for the elaborate wedding breakfast.

The bride wore a dress of white velvet entrain and a long enveloping lace veil which fell about her lovely form in entrancing folds. Her arm bouquet was of calla lilies, a sheaf of royal beauty. The maid of honor wore a dress of golden velvet, her bouquet was of bronze chrysanthemums.

In the afternoon the reception was held in Sadecky hall. The dancing was lively and all went merrily as a marriage bell. The wedding dinner served to one hundred guests at one o'clock in the family home. It was a bountiful menu of all good and choice things to eat and generously served. The newlyweds will make their new home in her upper apartment at 816 North State road. May all worthwhile things come to Mr. and Mrs. Herbert Kollé with just a touch of life's shadow to temper the glare of the sun.

WEDDINGS

Miss Ann Allen Is Bride of John Sesterhenn In Quiet Ceremony

The marriage of Miss Ann Katherine Allen, daughter of Mr. and Mrs. John Allen of Arlington Heights, Illinois, and John G. Sesterhenn of Evanston, Illinois, was solemnized at St. James Parish House in Arlington Heights at 3:30 o'clock on Saturday, November 14, the Rev. George J. Stier officiating.

The bride was simply attired in a traveling gown of navy blue crepe and hat to match. Her shoulder corsage was made up of sweetheart roses and lilies of the valley. She was attended by Miss June Franke in a green gown, wearing a corsage of talisman roses and yellow pompons. The best man was Mr. Joseph Schneider of Evanston, a brother-in-law of the groom.

A simple wedding supper was served at the home of the bride's parents on North Highland avenue to the immediate families. Mr. and Mrs. Sesterhenn will make their home in Chicago.

Zirak-Kuhl Marriage Celebrated All Night; Again Next Day

A very pretty wedding took place Saturday, Nov. 14, at 2:30 in Chicago, when Tillie Zirak, daughter of Mr. and Mrs. Tony Zirak and Mr. Wm. Kuhl, Jr., were united in holy wedlock. The bride was dressed in a very pretty red velvet dress with hat and shoes to match. They were attended by Mr. and Mrs. Bert Janisch. Later the bridal group came to the home of the groom's parents, Mr. and Mrs. Wm. Kuhl, Sr., where about 200 guests were waiting for the happy pair. Later a wonderful turkey supper was served. The pretty wedding cake was a present for the happy couple from the groom's sister, Mrs. Al. Kuhl from Des Plaines.

Later they danced until the wee hours in the morning. At midnight the wedding breakfast was served. A lot of people will remember the bride as dear Tillie, who was always ready to wait on you in her father's fruit store many years ago. The wedding broke up at 6:30 Sunday morning, the guests wishing the bride and groom all the luck and happiness. Sunday about 30 people returned and again celebrated until 11 p. m. in the evening. The music was furnished by Irvin Kueger from Schiller Park.

The happy couple will make their home in Des Plaines.

Mr. and Mrs. C. Voelker Surprised on 40th Wed- ding Anniversary, Nov. 11

Mr. and Mrs. Chas. Voelker, Sr., had the surprise of their lives, Saturday, Nov. 14, when their son and daughter-in-law, Mr. and Mrs. Fred Voelker arranged a fortieth wedding anniversary surprise party for them at the Fred Voelker home, 202 N. State road.

Among the guests attending were many people from Arlington Heights and from Chicago.

The novel and surprising feature of the evening was the attendance to Mrs. Voelker, Sr., of one of her bridesmaids of forty years ago. Needless to say, a good time was had by all.

Forest View School Sponsors Dance This Friday

Mrs. Gladys Schmidke was elected worthy matron and Peter Vervort, worthy patron at the annual election of that chapter last Friday evening. Mrs. Helen Swick and Mrs. Lily Schierding, who have served as secretary and treasurer of the chapter over thirty years, retired. Mrs. Edna Senne is the new treasurer and Mrs. Mildred Sanborn the new secretary. The other elected officers are: Ellen Miller, associate matron; Geo. Voss, associate patron; Mrs. Lucile Johnstone conductress and Mrs. Emmeline Godknecht, associate conductress. The installation will be held Dec. 5.

Arlington P.T.A.

The Parent-Teacher association held their November meeting at the South Side school Tuesday evening.

Mrs. Cooper, our P. T. A. president, opened the meeting. Mrs. Seibert read the minutes of previous reading. The roll call for each grade resulted with the antariums going to Miss Laughlin's third grade at the North Side school and Miss Irene Russell's third grade at the South Side school.

Present, who have pupils in the different grades, the largest number winning. Mrs. Walter Held and two sons of Des Plaines, rendered three beautiful musical selections. Mrs. Wallenfeldt, our program chairman introduced Mrs. Anita Willets Burnham, who told of her own personal trip with Mr. Burnham and her 4 children around the world on a penny. She told how the average American family, comparatively poor can educate themselves by visiting the world as cheaply as living in one place.

Their first trip was in 1922 when they sailed to France, visited Paris, then to southern France, from there to Barcelona where they rented a furnished house at \$16 a month. The very historical cities of Algiers, Naples, Pompeii, Rome and Florence, with its many artistic places, Venice with its numerous palaces, was visited, followed by a day train trip through Switzerland to Germany, then back to Paris and the U. S. A. That trip was made at \$1.00 per day per person for everything.

Then in 1928 Mr. Burnham suggested going around the world. They rented their home for two years on this trip they took a M. Bailey with them, besides their family. They started west this trip, sailing from Seattle on a Japanese line to Yokohama. 75 per cent of Japan, being mountainous, the churches are built up on steep hills and she said, "When you make the climb you are ready to pray." Japan is the land of rice, surrounded by a sea of tea and there never is any worry for food. They visited Korea next. Korea is a go-between from Japan to China and is a very sandy country. The many sights of Peking and Shanghai, were viewed then the family took a boat to Hong Kong, leaving Mr. Bailey in China, as he disliked water traveling. They crossed India to Bombay, visited the pyramids in Egypt, found Cairo very beautiful. Jerusalem was entered, they found the Holy Land very up-to-date, Palestine is all hills, which are very pretty any time of year. Mrs. Burnham's daughter was married in Jerusalem.

Vienna was inspected, then England where they visited London, then to Morocco, Algiers, Geneva, Switzerland, then again to Paris where Mr. Bailey joined them, he still is living in Paris. Mrs. Burnham said "he was waiting for the bridge." From France they returned to New York, bought a Ford and toured to Washington, D. C., then home to Chicago in 1930. This trip cost \$2.00 per day per person for 2 years for everything. Mrs. Burnham displayed her own sketches of interesting points on her trip around the world.

This interesting meeting was brought to a close by the committee serving delicious cake and coffee.

Merle Guid Post To Initiate New Members At Next Meeting

You have read the heading of this article, now please do us this favor—circle this date on your calendar Tuesday, November 24, and then make this notation on your calendar—be sure to go to post meeting that night—something different. We will initiate our new members that night and believe me we have a number of them to be put through the ropes. You will enjoy the ceremony and it will also be instructive.

Our Americanism chairman Miles H. Burpee certainly is to be congratulated on the splendid Armistice Day program Merle Guid Post held at the high school on November 11. Miles worked very hard on this and it is highly pleasing to know that his work brought the splendid results that it did. Thanks Miles.

At our last meeting the post acted as hosts to the Sons of the American Legion. The meeting was well attended. Lloyd Cunningham Junior Vice Commander and Chairman of the Sons of America for the Ninth District was the principal speaker outlining the ideas and ideals of Squadron work. Junior Vice Commander Roy Lawbaugh helped to make the meeting a success.

CAMPFIRE NEWS

The regular meeting of the Chanyata Group of Campfire was held at the home of Katherine Hines Monday night. They discussed the program for the coming year. Saturday, November 22, they are going on a bicycle hike to Elk Grove and will cook their lunches there.

The Campfire girls are going to sell cookies. The money from this is to be used to buy material for bed jackets for children in the Children's Ward of the Cook County hospital. This is a part of the Chicago district Campfire Service project. (If you are asked to buy some they would appreciate it very much if you would).

They decided to make up a Thanksgiving basket and give it to some needy family.

The meeting closed with refreshments and games.

Mrs. Peter Mors Arlington Pioneer Passes in 86th Year

Mrs. Peter Mors, who with her husband started the present Mors bakery in Arlington Heights fifty-four years ago, passes away at the home of her daughter, 115 West Campbell street, Thursday morning, Nov. 12.

Gottlobina Elizabeth Hartnagle was born in Germany, June 1, 1850. She came to this country when she was eleven years old, settling in Michigan. In 1868 she married Mr. Peter Mors in Detroit. After living in Detroit and Ann Arbor for several years, they moved to Chicago, then to Wheeling, Illinois, and finally to Arlington Heights, Illinois, where they started the Mors Bakery in 1882. They were in this business until his death on November 15, 1917, when she continued it for two or three years longer, and then turned it over to her son, Edward, and she went to live with her daughter, Mrs. Josephine Sieburg, which was her home for the past fourteen years.

She had been in fairly good health until the past year, when she began to fail. Her late illness lasted about a week and she passed away on Thursday morning, November 12, 1936, at the age of eighty-six years, five months and eleven days.

She is survived by six children—Theodore, Peter, Mrs. Josephine Sieburg, Mrs. Anna Fehman, Albert, and Edward, all residents of Arlington Heights; also ten grand children and six great grandchildren.

Funeral services were held in St. James Catholic church on Saturday morning, November 14, 1936, at 11 a. m. Interment in Buffalo Grove cemetery.

A Tribute To The Memory of Mrs. Peter Mors

A good mother, a loyal friend. What more can be said? In the old days we used to find her kindly awaiting customers, always with a pleasant word and a smile. Her children rise up and give her honor; her neighbors will ever remember her a true Christian woman. This world is such a lonely place. When mother's gone; Her gentle voice, her loving face, Cheering us on.

They tell us we had her so long. We should be satisfied; The years to us were as a song, With mother by our side.

They tell us she is happy now In her bright heavenly home, Yet we believe that she somehow Long to see her children come.

Our mother in her home so fair As earth's lonely way we trace; Is waiting till we join her there, To be held in her loving embrace.

A tribute to Mrs. Mors from a true friend and in sympathy for her children.

CARD OF THANKS
We desire to express our sincere thanks for the kindness of neighbors and friends and for the many expressions of sympathy received in our bereavement.

Health Talks

By Dr. J. H. Fisher

DISEASES OF THE EYELIDS

One of the best known of eye infections is styes. It consists of an inflammation situated round an eyelash. It begins as a general swelling of the lid with great pain, and generally opens by pressure. Very often as one styne subsides another appears. They usually run in a series of seven and very seldom appear on both eyes at the same time. Like all inflamed surfaces the lid must be kept clean and a hot application and rest is the best way to cure them.

The cause is due to several reasons the greatest one being one who suffers with constant constipation, kidney, gall bladder and bad tonsils. The one suffering should see a doctor at once as they may lead to ulcers of the eyeball and nasal canal infections and are very painful and must be operated upon to relieve pain. Stys should be treated like boils.

Some stys become so large as to cover the entire lid and cause the lashes to fall out destroying the hair root and often are never replaced causing a very inflamed look to the eyelid and distorting sight as the lashes protect the eyeball from dust and form a screen to the eyeball.

Any one suffering from stys are usually of a very nervous type, kidney, bladder, liver trouble and lacking in vitamin A.

Loss of sleep and reading by a

poor light causing a strain is also one of the causes.

Those of you who are wearing glasses should have them checked to be sure they are right and if you are not wearing a lens with a slight color in them, should do so as the light should be subdued to protect your eyes from the ultra violet rays so harmful to sight. Watch your health and you will enjoy living to a ripe old age.

Nine Dramatic Art Students To Present Annual Recital

Nine dramatic art students of Mrs. Comer Rice will be presented in their annual recital, sponsored by the Fidelis club, at the Methodist church Monday evening, December 7.

The participants, all of Arlington Heights, are: Shirley Laurin, Jean Daniels, Evelyn Jarvis, Francis Schmeberger, Dorothy Cooper, Marjorie Nelson, Margaret Allison, Margaret Bowlin and Marilyn Wood.

The program will consist of a number of readings, monologues, poems, character sketches in costume and two playlets, one a slapstick comedy and the other a character-building sketch. These numbers are now in rehearsal under the able direction of Mrs. Rice, who is widely known as a dramatic art teacher and as an actress. She appeared for two years with the Bar-num players and was a member of their troupe when it won first prize in play presentation at the World's Fair.

There is no admission charge for the recital, but refreshments will be served following the program for a small sum to help defray the expenses of the recital and to financially aid the Fidelis club.

Arlington Heights Woodmen Guests of Harmony Camp, Chicago

Members of the recently organized Arlington Heights Camp 522, Woodmen of the World, were honored guests of Harmony Camp, W. O. W., Chicago, at an initiation held by that camp on last Friday night, which included the initiation of several new members of the local camp, by courtesy, so as to qualify them for the local installation of officers ceremonies, on next Friday, Nov. 20th at Framberg's hall.

Harmony Camp represents one of the older and outstanding Woodmen Camps in the city and state, and more than measured up to the model and ideal of Woodmen fraternalism in its exemplification of the lessons of woodcraft, which proved an inspiration to the enthusiastic members of Arlington Heights new camp.

As acknowledged by state and county officials of the order present, there were perhaps more visiting officers and past officers from as many other camps in attendance, than had been gathered together at one meeting anywhere in a long time.

On the following Saturday evening the delegation of Arlington Heights members accompanied by their families, again journeyed to Chicago and enjoyed the hospitality of Harmony Camp at their 20th annual dance.

Both visits represented the special respects and acknowledgment of the local camp here, of its appreciation and indebtedness to Mr. Ed. Kamin, council commander of Harmony Camp, who has been the guiding force and encouraging advisor in the establishment of the local camp in Arlington Heights.

Lights Beat Ela 13-9 But Regulars Lose 15-10 in Tight Game.

Palatine and Ela split a double bill Tuesday in the opening games of the practice season in a battle of defenses. Both teams used tight zones to cramp the scoring of opponents. Palatine won the lightweight contest 13-9 with Koch and Herrmann the leading scorers. Ela rallied in the last quarter to win the first team game 15-10.

Ela came from behind to tie the score at nine all at the end of the third period in the heavyweight game. They then went on to count four free throws and a field goal

Bensenville And Arlington Split Season Opener

Bensenville Lights Take Curtain-Raiser 29-13; Bison Heavies Overwhelmed

By TOMMY KOUZMANOFF

Coach Johnson and his Bensenville high school cagers opened the 1936 basketball season at Arlington Heights last Friday night, Friday the 13th, against Grose's fighting Cardinals in a non-conference encounter, with the Bisons winning the lightweight fray 29-13; the heavies were snowed under 44-16, by a much taller and more experienced Arlington five.

A good sized enthusiastic crowd in the last period while Palatine tallied but a single point. The score at the half was 3-3 with Ela unable to score a field goal through the tight Palatine defense. After the Pirates took a 9-5 lead in the third period they slowed up in returning to defense, giving Ela an opportunity to work the ball in for two short shots by Gleason which really decided the game.

Both teams were in midseason form defensively but the offenses appeared still in the undeveloped stage. Without question Philbin was the outstanding player on the Pirate team. Leuthesser, Grever and Boegen looked good for Ela.

was on hand for the opener.

Johnson's starting first team line-up of Laurie Shriver at right forward; R. Thomas at the other forward; C. Mollenkamp jumping center, and E. Bartholmly and A. Davis at the guard positions, members of a losing lightweight team last year, were playing varsity ball for the first time. Their shooting and passing was erratic, due partly to inexperience, but mostly from nervousness. The thought of being first-string men and shouldering the responsibilities thrown in with it, may have been too much for them. The boys will undoubtedly accustom themselves to heavy competition before the conference season rolls around.

Art Levern, substituting for Shriver, at right forward when the latter had himself ruled off the floor with four personal fouls, led the Bensenville scoring with two baskets and a free throw.

The heavyweight star of the evening was J. Annen, Arlington's flashy forward, who was tops with five baskets and four charity tosses for a fourteen-point total. Harold Grismer, Card's tall center, was right on his heels with five baskets, while V. Pingel and R. Schneberger vied for whatever honors were left with eight points apiece.

In the curtain-raiser, Jack Escoria, the Orange and Blue's diminutive forward, paced his fellow lights with four baskets and two free throws in less than three quarters of play. Jack went out on fouls early in the third quarter. Baumgartner picked up where his unfortunate left off, going on to score four timely baskets and a free throw.

Next week will find Bensenville playing on Wednesday night, Nov. 18 at Northbrook in another practice tilt. A home game will be booked for the following Tuesday, the name of the opponent as yet unknown.

THE CHATTER BOX

By TOMMY KOUZMANOFF

HELP! HELP!

Continuing our Northwest conference basketball preview . . . Warren (Grove, Ill.) will have three of last year's stars around which to build up this year's quint . . . Antioch goes Warren one better, with four returning men . . . Grant (Fox Lake), has but one hopeful . . . Libertyville . . .

T. Kouzmanoff started from scratch this fall, starting with football . . . The bulk of the football team and every basketball letterman except one, Vink graduated last Spring . . . Came double trouble at Libertyville . . . Coach Martin, known the state over for turning out championship football and basketball teams and track stars, bettered himself by taking the head coaching job at the Lyons township high school in LaGrange, one of the largest schools in the West Suburban Conference . . .

Lake Forest's entry will be aided by three seasoned veterans . . . of Barrington's five will be letter winners . . . Wauconda will have to struggle along with only one experienced man . . . Both Ela (Lake Zurich) and Leyden, should go places this year . . . each have five letter men to put on the floor, anyone of which would lighten any coach's worries . . . Leuthesser, Ela's star performer last year, should reach new heights this season, working with four other experienced teammates . . . Leyden's coach, Watson, will most likely make Papek Sewski, Witort, Long and Wedemeyer his first team . . . Long is the only player from last year's first team. The five from last year's lightweights who will complete the first squad are Nelson, Zuperku, McDougal, Asta and Warzel . . . His big gun for the last three seasons, Metusik, who still had a year to go, dropped out of the team to go to work . . . Had he remained, Leyden would have been a top-heavy favorite to cop the 1936-37 title.

In a brief summary, I can safely say that Leyden, Arlington Heights, Ela, and Lake Forest will be in the upper standings when next February rolls around . . . yet, who knows but that Palatine, Bensenville, or even little Wauconda might pull a Max Schmeling and foil all the dopsters.

Duddles and Eiserman, Libertyville grads, are playing on the football team at Lake Forest college . . . Alex Kouzmanoff, Bensenville, was defeated in the U. of Illinois Men's Intramural Golf Championship finals, 1 up . . . both boys breaking par on a par 66 course in Urbana . . . The sparkling performance of J. Annen, Arlington's right forward last Friday night against Bensenville, will make him a marked man this year.

The Roselle Lutheran church team, made up of former Bensenville high school stars, playing in the Northwest Suburban Lutheran Basketball League at Des Plaines last Sunday, were defeated by Itasca 47-25; which team's star, Ken Stoicke, is also a Bensenville hero of by-gone days.

Word has been passed around that the annual Bensenville High School Alumni basketball game, this year, Dec. 30, be set aside as Homecoming night.

Here's my first letter . . . fan

Arlington Ties Lake Forest; Finishes Second For Season

The Cardinals of Arlington Heights completed their 1936 football season last Friday at Lake Forest. By permitting Lake Forest to tie them 13-13 Arlington finished the conference season with 4 wins, 1 loss and 1 tie and ended up in second place just behind Leyden who remained undefeated, and just ahead of Lake Forest.

Arlington seemed clearly superior, yet were unable to stop Lake Forest's passes which resulted in touchdowns. Arlington's line again proved well high impregnable and forced the "gold coasters" to take to the air early and often and even by that route they could gain very little.

Is Northwest Conf. Too Large For Comfort?

When the members of the Northwest Conference meet next month, the death knell of the conference in its present form may be sounded. Nearly all coaches of the present conference agree that the organization has become too large for comfort. When the Niles Center high school building is completed, that school will probably have an enrollment of over 500.

Some of the smaller schools feel that athletic competition against such powerful rivals destroys and curbs the popularity of school sports in their respective communities which in turn prevents the balancing of the athletic budgets.

The larger schools feel irked over the attitude of some of the smaller schools who do not play football. They think that if all of the schools in their group were in the same class, competition would be keener, football would again become an all-conference sport and there would not be such "long hikes" to distant schools.

The two groups agree thus far, but no further. The large school group would like to have football be the deciding factor, viz: that all schools which play football should be in one group. The small school group say "No" let the enrollment of the school be the deciding factor. The sport editor has not interviewed any of the schools, but has grouped the schools as follows:

Major—Arlington Heights, Libertyville, Lake Forest, Niles Center, Leyden.

Minor—Palatine, Ela, Wauconda, Antioch, Bensenville.

Doubtful—Barrington, Grant, Warren.

The suggestion has been made that the minors could admit McNary and possibly Northbrook. However it appears that the desires of the three schools in the doubtful group will be the deciding factor as to what will be done and who will do it.

Friend Tommy:

Am wishing you the best of luck in your new work. I have spoken to a number of the boys and they also wish you luck.

Am sending you a card. Will you see that the ads on both sides are put in the paper? Let me know what the charges will be. I will mail a check promptly.

Augie Enger,

Mgr. Edgewood Baseball Club, Bensenville, Ill.

Thank you, Mr. Enger . . . My boss, Mr. Paddock, will give your ads his personal attention.

The ads Mr. Enger refers to are in regards to two dances, one to be given by the Edgewood Community club, Saturday night, Nov. 21, and the other the following Saturday, Nov. 28, by his Edgewood baseball team, both to be held in Hack's ballroom, Bensenville.

How about trying our hand at a forecast on Saturday's ten major football games . . . Illinois at Chicago, Illinois 19-7; Indiana at Purdue, Purdue 13-7; Iowa at Temple, Temple 13-0; Michigan at Ohio State, Ohio 20-6; Northwestern at Notre Dame, Northwestern 7-6; Harvard at Yale, Yale 21-6; Georgia at Fordham, Fordham, 19-0; Stanford at California, California 7-0; Minnesota at Wisconsin, Minn. 27-0; Dartmouth at Princeton, Dart 10-7.

ior, yet were unable to stop Lake Forest's passes which resulted in touchdowns. Arlington's line again proved well high impregnable and forced the "gold coasters" to take to the air early and often and even by that route they could gain very little.

Some very ordinary—well high poor—officiating very nearly turned what might have been a good game into a free for all before the game ended. What should have been called as major penalties were blithely passed up and toward the end of the game both teams were socking each other right merrily. These events were out in full view of everyone, yet the officials were in too big a hurry to get the game over to be bothered by calling penalties.

One Lake Forest back, Stanley, was the hero for his team. Single handed he was responsible for the two touchdowns and the one point after touchdown to the Cardinals. His two tosses were taken for touchdowns and it was his dropkick which tied the score at 13 all. And yet, singularly enough, it was his unsportsmanlike performances that caused practically all the trouble. It is a rare thing to find such a good athlete, who has so little control over his emotions. It is doubtful if there is another lad in the entire Chicago district who can compare to him in either department.

Lake Forest scored first. After the ball had changed hands several times it changed again and abruptly when Kopplin fumbled for the Cardinals on the 11 yard line. Three plays netted one yard, then Stanley faked back and tossed a perfect pass out in flat territory, which was good for a touchdown.

Arlington tied it up in the second quarter. Arlington got a break similar to Lake Forest's. Recovering a Lake Forest fumble on the 19 yard line. On two plunges Kopplin made it first down on the 9 yard line. The "Duke" crashed through for three more yards. Kopplin was nailed for only a one yard gain then as Kopplin faked into the line Mayerck took a lateral and scooted over to tie the score.

Arlington gradually marched down the field in the third quarter as it ended, had the ball on Lake Forest's 7 yard line. Mayerck got over half the distance and on his second try Kopplin almost ran past the end zone for his score. He passed to Turner to convert.

Lake Forest put two unearned and one earned first down together to get their tying touchdown. One of these first downs was the result of Mueller's crashing a pass receiver to give them the pass on interference. The other was due to another Arlington penalty. Interference, however, was a nice sweep for a little over 10 yards for their only substantial rushing gain of the afternoon.

With the ball on Arlington's 17 yard line, three plays failed to gain much, but on fourth down a pass which Richards played poorly was knocked ten yards sideways into the arms of a Lake Forest receiver waiting on the goal line. The referee called the try for point good and the game was all even once more.

It looked as though Arlington might score again in the closing minutes. They probably would have had Harrah quarterbacking for Arlington stuck to straight football. Taking the "kickoff" Arlington marched straight down the field to the Lake Forest 30 yard line. Kopplin had almost got loose on the kickoff, but was finally nailed from behind. Arlington gained very nearly every time they carried the ball by straight football. Worried by the fact that only a few minutes were left to play Harrah un-

Lutheran Season Opened Saturday

The N. W. Sub. Lutheran basketball League opened its season on Nov. 14, at Des Plaines. In the opening game Palatine swamped Park Ridge 36 to 14. Palatine has a much revised team this year. With the addition of Beyer, they should be a real threat to teams aspiring the championship. Park Ridge lost one of their players this season and that probably accounts for their poor showing.

Des Plaines defeated Norwood Park, a newcomer in the league, 32 to 29. The game was not as exciting as the score might indicate. Both teams missed a large number of chances to score. However, Des Plaines settled down in the second half and kept scoring until they finally came out on top.

The second set of games was played on Sunday, Nov. 15. Itasca overwhelmed Roselle, also a newcomer.

The next games will be played on Saturday, Nov. 21. Park Ridge meets Des Plaines and Arlington meets Palatine. These games should prove very interesting because of the rivalry of the towns.

Games on Saturday night begin at 8:00 p. m. Des Plaines Lutheran school gymnasium located on Lee street.

Safetygrams
BY
FRED W. BRAUN
The Safety Man

About 23 out of every 100 persons killed by automobiles in the United States are children under the age of 15 years. Accidents kill more children in this age group than diseases. Think of it.

1. Never cross a street without looking in both directions to see if any cars are coming.
2. Always cross the street with the lights.
3. Never cross a street diagonally or in the middle of a block.
4. Never step into the street from behind a parked car or moving vehicle.
5. Never play in the streets.
6. Never "hook" rides on trucks or wagons.

In Canterbury Cathedral
There are 800 carved shields of arms in the 36 bays of the cloisters of Canterbury cathedral.

"Godfrey" at Des Plaines Theatre Next Sunday

The maddest, goofiest, most delightfully cuckoo family in the United States has been discovered. It is the preposterous tribe that resides on Fifth Avenue in New York, first brought to light by Eric Hatch when he wrote the novel, "My Man Godfrey." Now these "crazy people" live on the screen in Universal's romantic comedy of the same name, which opens for a three day run Sunday at the Des Plaines Theatre, starring William Powell and Carole Lombard.

For cinema purposes, the family is known as the "batty, bally Bullocks." The father, portrayed by Eugene Pallette, is a slightly bewildered financier who never knows what his wife or daughters will do next. Neither do they.

Alice Brady, as the mother, is a daffydil who cannot blush unseen. The two daughters, goops of purest ray serene, are Cornelia and Irene. Cornelia played by Gail Patrick, is spoiled and arrogant. Her sister, interpreted by Carole Lombard, is regarded as the "dumbest debutante ever to break loose in Manhattan." Mrs. Bullock has a protegee who leaps about the house like a gorilla on springs. William Powell has the job of butler in that topsy-turvy hilarious household.

Bowling Notes

By HERB. HAMMERL
It seems the boys still can't seem to get going, there being only one "600" series bowled Monday night. That series was rolled by "Turf." It looked as though Emil was headed for 700 when he started out with 241 and followed up with 213, but he slipped to 173 in his last try, totalling 627. Nice series "Turf."

Krause Market, after starting the season off with a bang, are steadily slipping. They dropped two games to Blatz, who are starting to hit their stride. On 3 and 4 Vail Tavern shot the first 1000 game of the season, led by Billy Duenn with 243. Their game was 1005. On 5 and 6 Park View Tavern took two games from Arlington Elevator. Hy Meyer, on account of his big 475 series, will watch the bowling from the sidelines next week. Tough luck Hy.

The El Rand pin topplers went into a first place with the Vail Taverns by beating them two out of three, in the Arlington Recreation Tuesday night bowling league.

The Tibbits-Cameron outfit took two games from the Angelloff Boosters with games of 212, 202, and 147 for a 561 series.

The Arlington Recreation team eked out a couple from Schoenbeck's Insurance.

The team totals in this league are not high, but the boys have a lot of fun.

Scouting Headquarters To Be Open Every Wednesday Evening

In order to be of as much service as possible to the Scouters of the Council, the Boy Scout headquarters of the Northwest Suburban Council will be open each Wednesday evening, from 6:30 to 8:00 o'clock.

This will be tried as an experiment to see if it will enable more Scouters to take advantage of visiting Scout Headquarters and will be continued as long as there is a demand for it.

Scout headquarters is located in the Gillick building at 100 S. Prospect avenue, Park Ridge.

First Grade—Joyce Wendorf, Alice Hans.

Second Grade—Robert Felse.

Third Grade—Nada Spasojevich, Ruth Guenther.

Now that the Achievement club program is over, we are again getting very serious about all our subjects. We, too, in Miss Greenberg's room, are having an honor roll. Any child who maintains an average of 90 or better in each subject and who has the same grade of 90 in each citizenship subject like Courtesy, cooperation with pupils, cleanliness, etc., will be entitled to have his name on the Honor Roll. Those pupils who have maintained an average of 90 or better for the first two months are:

Fourth Grade—Walter Mattingly.

Fifth Grade—Ralph Smith, Mildred Durband.

Sixth Grade—Margaret Heinze.

Seventh Grade—Mildred Biechinger.

Eighth Grade—Dorothy Guenther.

With Thanksgiving and Christmas not so far away we are getting busy with decorative material for these two holidays.

More news will follow in a later issue of this paper.
